

## Secretly Mated (Billionaire Bear Brotherhood Book 3)

Dr. Kam Hutchinson uses logic and reason to run her life. So when she has a one-night stand with a handsome stranger, it's only logical to assume that she'll never see him again. That's before she discovers that the man she spent the night with has the power to make or break her archaeological career. Now he wants to take a closer look at her dig...and get closer to Kam. Caleb Ingram is a tech billionaire who has grown bored with his playboy lifestyle. When he meets curvy, intriguing Kam, he knows she's the mate he's been waiting for. One night isn't enough, and he's willing to do whatever it takes to be with her--except go against the Billionaire Bear Brotherhood. The shadowy organization is interested in Kam's research, but all Caleb wants is Kam.

Around the world, there are powerful men living with a dangerous secret: they're not just billionaires, they're also bear shifters. And they pledge their allegiance to the secretive Billionaire Bear Brotherhood. These sexy billionaire bears are too busy living large to look for love. But fate has other plans. Sparks fly when smart, curvy women meet the alpha shifters who are determined to win their mates. Each standalone Billionaire Bear Brotherhood novel is hot enough to scorch your Kindle and sweet enough to warm your heart.
