

# Meditative Commentary - Acts of the Apostles (Meditative Commentaries)

Do you want a deeper, more-fulfilling way of Bible study? Do you want to begin daily Bible reading, but need guidance? Do you need a guide for family Bible study? Or for your small group Bible study? This meditative commentary series is for you. There are many commentaries and workbooks for Bible study, but this series is different. It employs the classic Christian method of holy reading to help you hear the voice of God. Holy reading involves slowly engaging a short passage of Scripture, listening closely, reading repeatedly, praying the words, and perhaps sharing with fellow believers. When we quiet ourselves and engage Gods word, God will bless us, our families, and our churches. This volume points us to Gods voice in Acts of the Apostles. This text invites you to experience the adventure of being part of the early church and to participate in Gods redemptive story. Walk with Peter and Paul as the Holy Spirit guides them to proclaim the good news of Gods kingdom. See and experience the work of the Holy Spirit as Gods story continues through your life.
