

Look Younger for Longer: Secrets from Harley Street

The anti-ageing market can be a scary place full of false claims, half-truths and overpriced products that disappoint. There is a bewildering array of products, procedures and treatments available; but what will actually work for you? Harley Street guru Lesley Reynolds will arm you with all the information you need to know about looking younger and how best to transform your looks in a sensible way that focuses on non-invasive treatments. Find out how to manage and overcome different skincare and anti-ageing issues throughout the decades and get the lowdown on everything from which anti-ageing creams actually work (and its not always the most expensive ones), to what cosmetic non-invasive treatments are available and how to find a good person to do them and advice on other lifestyle changes that can transform your looks for good. With case studies showing before and afters of treatments, Q&As on the most-asked anti-ageing questions, along with hints and tips from Lesleys celebrity clients, plus a glossary of anti-ageing terms, this book will demystify the world of anti-ageing and help you look a decade younger!
