

A Commentary on the First Epistle to the Corinthians (Classic Reprint)

Excerpt from A Commentary on the First Epistle to the Corinthians A second edition of this commentary has been called for too soon after the publication of the first, to make it possible to reconsider, with advantage, the interpretation of any passage 4 But several mistakes have been corrected. The names of Dr. Hodge and Dean Stanley were inadvertently omitted in the Introduction. The reader will see that both have been consulted. They are opposites in almost every respect. Hodge is theological and has excellent judgment. His method recalls Calvin. Stanley will charm many, and irritate some, by concealing theology under unsurpassed power of description and wealth of illustration. My hearty thanks are due to the reviewers. All have spoken of the book with friendliness, and shown that they can be just and generous, even when our points of view are wide apart. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
