

Sins Of The Past Rowan Harper thought being with a vampire would keep her out of harms way. But true evil lurks in the darkness, and not even her lover, Gabriel, knows all of its tricks. Rowan may be his Promise, the one woman who can save Gabriels soul, but the two of them have a long and complicated history that Rowan is only now discovering--complete with old enemies who will stop at nothing to make them suffer. When Rowan is abducted and forced to witness unspeakable violence, secrets of the past begin to unfold. Secrets that show Gabriels best friend Aleksei in a new light. Will the truth destroy all three of them or bind them more tightly together, and if evil prevails, will it be Rowanss soul that ultimately needs saving? This series is highly recommended. --Library Journal Wicked fun not to be missed! -USA Today bestselling author Rebecca Zanetti
