In returning to Petra, Anubis must deal with memories of his lost love while protecting his new lover. Anubis has been an Earth Warrior for centuries and he never thought hed return to the place where he died. Yet his next mission sends him back to Petra, his original home before the Gods chose to interfere in his life. He goes to Petra to authenticate some artifacts found at a dig site. There he meets Dr. Jamil Ahlid, the head archaeologist, and discovers someone he could love. Dr. Jamil Ahlid has a once in a lifetime chance to dig at Petra and he discovers artifacts from an unheard of civilization. In doing so, he also uncovers something so dangerous that his very life could be forfeit. Meeting Anubis ends up being the best thing that happens to him. Especially when men come for what hes found. Anubis has to call on his brothers, but will they be enough to keep Jamil alive and the artifact safe?
