

Nearest Thing to Heaven (Maverick Junction Book 2)

Ty Rawlins, the widowed father of rambunctious triplets, is at odds with Sophie London when she returns to Maverick Junction at Thanksgiving for her cousin Annelise Montjoys wedding to Cash Hardeman. Chicago is home, where she runs Starlight Productions, her greeting card company. Sophie is a fish out of water in Texas. The cows freak her out. The long-horned steers are nightmare material. But Tys triplets, one of whom spilled cherry soda on her white silk lap at Cashes barbecue, are enough to make her run all the way back to Illinois in her Jimmy Choos. What will it take for Ty to convince Sophie that Maverick Junction is where she belongs, right beside him and his boys?
