

No one is better qualified to tackle the thorny challenges of cross-cultural leadership than Sherwood Lingenfelter. *Leading Cross-Culturally* brings together a rare blend of anthropology, leadership theory, and theology that calls cross-cultural team members into covenant relationships centered on Christ and the cross. This is practical missiology at its best.--Tom Steffen, School of Intercultural Studies, Biola University
With missionaries traveling from everywhere to everywhere, a book on cross-cultural leadership is urgently needed. Lingenfelter builds on his wide global experience and illustrates powerful principles with insightful examples and Scripture.--James E. Plueddemann, Trinity Evangelical Divinity School; former international director, *Serving in Mission*
Lingenfelter combines his intercultural experience and judicious study of cross-cultural leadership with biblical-theological reflections and creative use of empirical cases. This book should be in the hands of everyone already in cross-cultural leadership as well as those who are considering entering the field.--Lalsangkima Pachuau, Asbury Theological Seminary
A compelling volume. As a practitioner, trainer, and instructor of leaders and teams in ministry and missions, I will have to include this book in my required texts. In fact, it has challenged some of my own assumptions about this difficult aspect of kingdom work.--Mike Barnett, Columbia International University Seminary and School of Missions
A tremendous book that combines the best theory and practice with the kind of perspective that comes only from vast personal experience.--Earl Creps, Berkeley Church Planting Project
In this insightful and exceptionally practical book, Lingenfelter points us to the three essential components for lasting kingdom impact: leadership, cultural values, and the Word of God.--Bambang Budijanto, Compassion International
An excellent resource on exercising leadership in cross-cultural contexts. Lingenfelter goes directly to the heart of the matter--building a covenant community of trust.--John Watters, Wycliffe Bible Translators International
This is a remarkable book. It is crafted out of life and honesty and reflects Lingenfelter's own pilgrimage. It is grounded in Scripture and deep spirituality, protecting leadership from mere technique and transforming it into discipleship principles.--William D. Taylor, World Evangelical Alliance and the Mission Commission
Lingenfelter provides another significant contribution that takes culture seriously and the Bible authoritatively. This resource will allow global leaders to learn and discuss together their shared desire to serve Christ's kingdom.--Byron D. Klaus, Assemblies of God Theological Seminary
