

The Lost Wolfs Destiny (The Pack Book 14)

A desperate mother. A scarred man. A powerful bond
The moment he saw Blythe Daphne on the television news, Lucas Kenyon knew three things: she was a shapeshifter, like him. She was the most desirable creature he had ever seen. And she was in terrible danger. Now, the wolf in Lucas is driving him to save Blythe and her young daughter from a man he knows is evil personified. A man who believes all shapeshifters are demons straight from hell. But Lucas knows he must never reveal the secret that threatens to tear him apart not even to the one woman who could heal him.
