

Daily Word

Daily Word is a unique devotional designed to help Christians affirm their faith and grow in their walk with Christ. Jesus said in John 15:15 that without Him, we could do nothing. The Word of God is full of beautiful promises to encourage us and draw us closer to Him, especially in these dark days. But how can we grow in Christ or know Him if we don't regard His Word the Bible? Daily Word will challenge you to memorize just one word a day. That one word will trigger that day's devotional. The book is organized in a way that will make it easy for you to memorize Scripture and allow you to grow in your faith. Biblical characters such as, Jezebel, Amalek, and so many more, are discussed from a fresh and applicable perspective for our present day. Make the commitment to dive into a Daily Word, and grow in His Word daily.
