

Dating the Divorced Man: Sort Through the Baggage to Decide If Hes Right for You

His ex-wife, kids, and alimony.... can you deal with his past? With today's skyrocketing divorce rate, it's likely that you will date a separated or divorced man. However, these men are not like the typical single bachelors you're used to dating. They come with numerous unexpected challenges, such as children, difficult ex-wives, substantial financial obligations, and unresolved grief, guilt, or anger. Wildly successful and an international sensation, *Dating the Divorced Man* prepares you to: Detect problems early on -- and tackle them together. Identify challenges that come with the territory vs. those that are deal-breakers. Evaluate whether marriage is ultimately the right choice for you. Filled with real-life insight and advice, *Dating the Divorced Man* offers the tools you need to decide if you can deal with the issues and find long-term happiness -- or if it's time to say goodbye.
