

Demons behind Doors: Beliefs and Practices that Lead to Spiritual Oppression and Way of Deliverance

There are certain doors one must not open if they desire to be free from the oppression of evil spirits. Demons Behind Doors identifies and discusses these doors, reveals the nature, intentions and strategies of evil spirits, shows how these entities cause spiritual, mental and physical harm to their victims and explains who the Lord Jesus Christ is and why He is the only way by which a person can receive union with God and become and remain free from all curses and the oppression of all evil spirits. In this book you will: Learn all about your real enemy so you can defeat him and his minions. Their intentions, abilities and strategies will be explained. Find out the lies of Satan and his demons and learn all the ways in which human beings knowingly and unknowingly allow themselves to become possessed by these insidious beings. Be able to tell if demons are responsible for a persons suffering or not. Know how to effectively deliver yourself and your loved ones from demons, spiritually cleanse your property and remain free from all forms of spiritual oppression (demonic possession, demonic interference, evil spirits in the property or land, witchcraft and curses). Prayers are included.
