

Divorce can be Such Sweet Sorrow: An Anecdotal Survival Kit

Snapshot, reviewers, comments: here would be far less angst in the world if every lawyer and every spouse seeking a divorce would read this book and practice its principles...Humor, insight, and downright usefulness in one short book...no lawyer babble; just sensible advice. Excerpt: Ricks Rule for fence-sitters: The marriage is over when he phones that hell be late for supper and she has already left a note that its in the refrigerator. Rick is the attorney who guided me through my amicable and equitable divorce, preserving my sanity and well-being as well as that of my ex. I paid thousands to learn his rules; you, lucky you, get them for the small cost of this book. I hope that youll use them wisely.
