

A Tribute to the King

A Tribute to the King is about the story, character, and promises of Jesus Christ. The book explains who Jesus Christ is, how to receive salvation, spiritual fruit, the importance of prayer, and how to apply the whole armor of God. Every explanation is supported by scripture in the Bible taken from the ESV and NIV translations. This is a great book for all ages, and designed to give people an easy understanding of who Jesus is, and how to know Him personally.
