

# Fairest

Skye has a heart of gold, and three men aim to have it. Skye Daniels knows it isn't wise to wander alone in the Big Easy, but she hopes the trip will give her a break from the teasing she endures at school and time to resolve her feelings for playboy Whit Hastings and his best friend Linc Moore. When a stranger tries to grab her outside the House of Blues, Skye runs for her life and finds refuge with a group of orphans. Unable to contact her father, she calls on Linc to help her find out who wants her dead and why.
