

TO THE READER The Ark represents the authority and the very power of God. The Almighty directed Moses from the >Mercy Seat= as the Israelites were led through the desert for 40 years. Many people will claim the right to have charge of the Ark. The Jordanians will claim it as it will have been taken from their soil. They will claim it by right of possession as an antique. The Israelite Jews will claim it as something which was built by their ancestors, and placed in safekeeping in Mount Nebo. The Israeli (Zionist) Jews will claim it because they believe they have the right to ownership of anything they think is Jewish. The Muslims will claim it because it was found in Muslim lands. The post Vatican II Roman Catholic Church will claim it because they will claim the sceptre of authority given by Jesus in the Keys of the Kingdom. Only Jesus Christ shall claim who shall have charge of the Ark!
