

# The Alphas a Bitch: Rise Of The Pack Princess Book 1 (Ruled by the Female Alpha) (Volume 1)

Stephanie Bennett was always straight as an arrow. A well loved, yet somewhat lonely, mobile veterinarian, there was little to no time for anyone else - not even a pet of her own. But that all changed one cloudy Friday afternoon on her way home from work. Just then something huge and definitely not human jumped out into the road right in front of her truck. Little did she know that the paranormal shapeshifter thing in the road would soon change her life forever
