

Trees of Eden

In the book of Genesis Gods creation is described. In the Garden of Eden He created two special trees: the Tree of Life and the Tree of the Knowledge of Good and Evil. God removed Adam and Eve from the Garden because they ate of the Tree of the Knowledge of Good and Evil. The repercussion of being separated from God was they assumed the responsibility of deciding what is good and evil. They did not eat of the Tree of Life, by which God decides what is good and evil. Throughout history the earthly nature of Adam and Eve has been passed down to all mankind. From their choice, mankind has been delegated to individually deciding what is good and evil based on different thoughts or opinions instead of what God stated. Most people do not even understand what God means when He says something is good or evil. When God uses the word good it means complete or sufficiently perfect in its kind; having the qualities best adapted to its design and use. When God says someone does evil or something is evil, He is saying it is injurious, or something which produces pain, distress, loss, or tribulation. Good is not the same as righteousness and evil is not the same as sin. Pastor Fred has a lifelong passion to help Christians understand the Word of God and live effectively for Christ.
