

Given

Given is a story of God's unconditional love. Like the prodigal son, we can make a mess of our lives. People, especially our mothers, see the self-destruction, and because of their faith in our all-loving God, persevere in praying for us. God waits with open arms for our return and He showers us with graces and awesome love. The journey begins in a small town in southern Pennsylvania, and takes the reader to the University of Notre Dame, Rome, and suburban Philadelphia. As the story unfolds, the lives of a single mother, a middle aged artist, a wealthy recluse, a high school teacher and two mothers are connected in a special plan - God's perfect plan.
