

Legacy of Love (Love Inspired Historical)

She dreamed of digging through ancient ruins but the only exploring Anna Simmons gets to do is in the expensive houses she cleans in Pearlman, Michigan. When Brandon Landers hires her, she's unsure whether to be furious or thrilled. He evicted Anna and her ailing mother, but she's heard rumors of hidden treasure on his land. Treasure Anna decides to find. Not just for herself, but for new employer whose unexpected kindness has softened her heart. Physically and spiritually wounded in the Great War, Brandon knows not to hope for the impossible like buried riches or Anna's love. Is there still time for them to learn that the only treasure they need is a lifetime together?
