

## Listening to the Spirit in the Text

For many years Gordon Fee, one of today's foremost evangelical scholars, has been asked to bring his trusted biblical expertise together with his well-known passion for the gospel and the church. Listening to the Spirit in the Text is his answer. Gathered here are Fee's best studies and reflections on the art of attending to the biblical text critically yet with a deep spiritual sensitivity. These insightful chapters cover a wide range of contemporary topics, including the relationship between Bible study and spirituality, gender issues, worship, tongues speaking, church order and leadership, the believer and possessions, and the role of the gospel in our global society.
