

Sleeping with the Boss (Companions Escort Service Book 2)

Sam Grayson, co-owner and CEO of Companions, a reputable gay male escort service, has just been dumped by his partner of six years. He needs a drink. He heads down to his favorite bar and when he is served up by a hot new bartender, T.C., he realizes he also needs a good, hot, no-last-names-and-no-strings fuck. Things get complicated a few days later T.C. walks into Sams office. He is Tanner Carlton Davenport, the newest escort at Companions, hired the week before by the HR department. Companions has a strict no-sex policy. No sex with the clients, no sex with co-workers, and especially no sex between management and employees. This means Tanner is strictly off limits to Sam. But Sam is quickly becoming a rule breaker...especially since hes learned just how much he loves being in charge...
This book contains gay (m/m) sexual situations. *THIS BOOK CONTAINS EXPLICIT SEX AND IS FOR READERS 18+ ONLY. ****THIS BOOK CONTAINS A LITTLE SPANKING AND VERY MILD BDSM.
