

Claws of the Lynx (Mills & Boon Nocturne Bites)

Nella and Alec had once shared a steamy relationship with the promise of a long-term commitment until Alec saw her transform into a lynx. Hurt that Alec couldn't accept that she is a shapeshifter, Nella moved on. . . and joined the Alpha Force, a military organization of people with paranormal abilities. Years later, Alpha Force's secrecy is being threatened by an out-of-control journalist. Charged with retrieving the information that could expose the Alpha Force, Nella is forced to team up with the last person she expects. . . Alec! Once reunited, Nella and Alec soon discover that their attraction is as strong as ever. . . but can Alec ever learn to accept Nella for who she is?
