

Hot Pursuit: A Sugarland Blue Novel

Taylor is a laid-back, smart-aleck kind of lawman. Hes also a mans man, as well as every womans private fantasy. But years ago, he was part of a botched hostage situation that ended with him being hailed as a tough-as-nails hero-even though the pain, fear, and shame from that terrible day still haunt his every moment. Cara Evans couldnt care less about Taylors pain. In the moment he became a so-called hero, she lost someone she dearly loved. Yet neither of them is prepared for the instant, undeniable attraction that flares between them-or the danger thats soon hot on their heels.
