

## Why God Became a Man

Jesus Christ came into this world because of life and death. Any person who professes to be a Christian should know what life and death are and the difference between them. I shall never die, is a statement I made at an EV Free Sunday school class and members laughed. A woman said, Obed you are fond of saying that. When I say that I shall never die, I believe every letter in the statement. I believe it because Jesus said it. What is the one reason for which God became a man, which He couldnt do through anyone else? If you are a Christian reading this book, will you please stop, take your pen or pencil and write your answer before you continue. I know the booklet will be more difficult for unbelievers because they have first to know who Jesus is before He entered Marys womb. I still urge them to read on. Let me mention a few of the things that are excluded from the answer.
