

Luck of the Draw (Weston Family Series) (Volume 1)

A passionate romance with an exciting plot... Anita Hartsell, Romance Reader At HeartRoyce Weston knows firsthand women are exceptional liars, especially the one who cheated him at the poker table and then wormed her way into his family's good graces by claiming amnesia. Since Paige didn't heed his advice to leave town, he reasons a bit of friendly persuasion is needed to send her packing from Wooded Acres. But when she matches him trick for trick and has his ranch hands jumping to please her, Royce knows he's met his match. A simpering miss she is not. Sassy and daring; if only she'd give him a reason to trust her. Paige knows Royce wants her gone, but she's convinced he knows something about her past. Until he tells her, she isn't going anywhere. Matching wits with him isn't all that hard, especially when she discovers there's more to him than bark and brawn. If she tames this rough and tough cowboy, she'll enjoy a reward better than any poker ante. And any girl will tell you, it's not how she plays the cards, it's the Luck of the Draw that counts.
