

## Lone Star Love (Tuscany, Texas Book 3)

Lone Star Love is Book #3 in the Tuscany, Texas Series. From award-winning author Patricia W. Fischer, the Tuscany, Texas series continues on with Lone Star Love featuring Ethan Parker and Tish Martin. Former mean girl, Tish Martin, had it all growing up. Perfect house, great family, and more money than she could spend in a lifetime. Now, she's returned to Tuscany divorced, in remission, and caring for an Alzheimers afflicted mother. Something has to go her way, right? Not exactly. After almost being killed in an attempted kidnapping, Tish literally runs into the arms of Sheriff Ethan Parker. The former Marine, Ethan, had his eye on Tish Martin when they were in high school, but she never gave him the time of day. Since he'd rescued her from a near death experience, they've been inseparable, but he knows Tish isn't telling him everything about her time away. With her body in recovery and her broken heart healing, can she let Ethan in to help her heal? And will a secret she's been keeping from him shatter their chances? Things are about to get hotter in Tuscany, Texas.
