

Making and Keeping Gods Choice

God is willing to help us if we are willing to let go and let God. There is a choice of God in marriage. Its not every brother that can handle your past, present and future as a sister. How do you decipher the will of God? What are the good and bad ways of knowing who to marry? What do you look for in a prospective wife? How do you toast? What makes relationships work and what are the things to avoid? How do you prepare for your wedding? This book answers these questions and many more. It is a practical and insightful book for every young person who wants to save himself from hurt, pain, broken courtship and failed marriage.
