

Power of the Crown: Space Darlings Series Vol. III

Gladriel and Lori have been assigned to Admiral Sheffield's crew. Their assignment is supposed to keep the Space Darlings out of the public eye. What could possibly happen to them as they head to Acura for Lori and Sheffield's wedding? While waiting to leave Sheffield's ship to join Redford and Fergus, Lori sentimentally reads her journal about Gladriel and her first assignment which led to the production of the Space Darlings Vids and their troubles with the Council.
