

[Siren Everlasting Classic ManLove: Erotic Alternative Romance, M/M, food play, HEA] For the past year, Jake Shepherd has tried to move on with his life since the man he loved walked out on him. Finally on the right path, he no longer aches for his lover and is looking forward to his future. The past year turned out to be anything but what Matt Jorgensen had anticipated. In his quest to better his life and find self-worth he realizes he's made the biggest mistake of his life. Going back home to try to right his wrong wouldn't be easy, but he vowed to try. When Matt strolls back into Jake's life, a firestorm of emotions explodes between the two men. Amidst the betrayal and hurt lies an unrelenting love that refuses to go away. As they rekindle the fire they thought had blown out, a danger lurks in the surrounding mountains, threatening their lives and love forever. ** A Siren Erotic Romance
