

## Parables of a Ranchers Life

We serve a supernatural God. Parables of a Ranchers Life, is a collection of stories that were inspired by the Holy Spirit. These are revelations to my life and I believe they will be just as inspiring to you. The Holy Scriptures are truly living and forever life giving. These stories come from actual life experiences where the Holy Spirit brought the Scripture to life for me. Jesus used parables to teach His disciples and I believe He teaches us in the same manner today. Our souls will be awakened when we become hungry and chase after the things of God. I pray these stories will bring into remembrance the times and places where God has spoken into your life. I pray these stories will bring you closer, into a deeper relationship with Jesus through these practical everyday experiences and prophetic words. Amen.
