

The Crusader Bible: The Authorized Gospels of The King James Version of The Holy Bible with a Special Introduction by Judge Hal Moroz

The Crusader Bible is a powerful testament to faith and the awesome work of God in the lives of men and nations! This is a compilation of the four Gospels of the authorized King James Version of the Holy Bible. These Holy Scriptures were carried in the hearts and hands of those Christian Crusaders who brought the Cross of Christ back to the City of David in the year of our Lord 1099. These men of God did the impossible. They were not the Christian nobles of the later Crusades which fought with varying degrees of success. These were the few brave souls, filled with the Holy Ghost, who took part in the Quest of a lifetime to reclaim surrendered hallowed ground. And they became more than conquerors. They are a portrait of Christendom at the end of the Dark Ages, when a lone remnant championed the godly virtues and guiding principles of Holy Scripture. Their strength and success were found in these Holy Scriptures, and that same source of strength and success is available to you today, here in this Good Book, The Crusader Bible. The Crusader embodied the faith Jesus marvelled at in Matthew 8:10, when He spoke to His followers of the Centurion: Verily I say unto you, I have not found so great faith, no, not in Israel. This is why this version of the Holy Bible is named in his honor! And Ephesians 2:8-9 tells us, For by grace are ye saved through faith; and that not of yourselves: it is the gift of God: Not of works, lest any man should boast. This Book is the path to such great faith - the faith of a Crusader -- leading to the Way, the Truth, and the Life, a personal journey to discover power, success, and eternal joy.
