

# Seven Desires: Looking Past What Separates Us to Learn What Connects Us

This new take on relationships changes everything! By examining the seven desires we all share, Mark & Debra Laaser illustrate how men and women are actually more alike than different. Do you long for ways to Tune in more closely to your children? Connect on a deeper level with your spouse? Strengthen friendships? Reach a fuller relationship with God? The Laasers look past what separates us to examine what connects us. Instead of focusing on how to sidestep or compensate for perceived differences, they dig deeper, to the core of our souls, to examine how the basic needs of all people make us more alike than different. The Seven Desires of Every Heart explores the common desires God has given us ?to be heard, affirmed, blessed, safe, touched, chosen, and included. Using stories, biblical references, and sound psychological principles, the Laasers explain each desire and show us how we seek it and what it feels like to have it truly fulfilled.
