

## Sistergirl Devotions: Keeping Jesus in the Mix on the Job

Encouragement, advice, and real talk from a successful sister! Its not always easy to live your faith during the nine to five. But no matter where you work, thats the mission field in which God has placed you. It doesnt matter if youre a waitress or the CEO of a Fortune 500 company--youre equally important to God. And he wants to use you to build his kingdom. Sistergirl Devotions is for you--the working woman who wants to grow spiritually while on the job. Using Scripture, sistergirl wisdom, and true stories, each down-to-earth devotional shows how your faith can empower you to have success no matter where you work. With topics such as respect, resourcefulness, image, timeliness, honesty, setbacks, and balancing work, church, and home, each devotion ends with a Power Move--practical affirmations that will drive you toward victory. Carol Mackey has done a masterful job of incorporating the practicality of Gods Word into daily meditations. She does not shrink from the real issues we often struggle with. Carol addresses them boldly, giving clear answers and Power Moves to equip us to have the victory we long to experience in our everyday lives.--Michelle McKinney Hammond, author of *The Power of Being a Woman* Sistergirl Devotions is by far one of the best self-help books I have read in a long time. Carol Mackey masterfully weaves in Scripture, invaluable wisdom, and her own personal experiences. Absolutely brilliant!--Kimberla Lawson Roby, New York Times bestselling author; author of *A Deep Dark Secret* and *Be Careful What You Pray For* Sistergirl Devotions delivers inspiring daily nuggets that will warm the soul and motivate every reader to succeed on the job for the Lord.--Stephanie Perry Moore, author of the Payton Skky series and the Beta Gamma Pi series Carol M.
