

## Torah and Color: Color As Your Key To The Parsha

Color in Torah is not hidden, but seen practically in every event in each Parsha. Read the amazing insights of author, Dr. Stefen Yitzchak Sattler. Explore the beauty and true nature of the Torahs events, by investigating each colors use and how it stacks on the Torahs Color Scale. The Torah speaks to every generation in its colorful language and in its stories to teach a message that is relevant for that generation. There are many signposts in the Torah, supported by the use of color, which is an essential layer in modern society, to help deepen the understanding of Torah and its depth of wisdom.
