

A Higher Education: Casting A Greater Vision For College & Beyond

You're off to college—the most exciting time of your life (so far). You're finally free to live life on your own terms. Are you ready? How will you handle it? Do you know what you want to do? And more importantly, who you want to be? Will college simply prepare you for a career? Or could it be the springboard to a life of boundless blessings? You've got an incredible opportunity to move beyond merely surviving in college and cast a greater vision for your life. How can you best reach your full potential? Cultivate a deep relationship with your Creator and seek His perfect will in all you do. In *A Higher Education*, you'll learn how a solid relationship with God . . .

- Positively impacts your entire college experience: academics, relationships, and your emotional health
- Defines your worldview and gives you a higher purpose
- Helps you build healthy, life-affirming relationships
- Gives you strength to avoid the many temptations college offers
- Helps you be content in any circumstance
- Helps you move beyond being a successful person in the eyes of the world, and instead become a deep individual who makes a difference

None of us are guaranteed tomorrow. *A Higher Education* can inspire a sense of urgency that drives you to follow God's calling now, live wholeheartedly for Him today, and cast a greater vision for your future. Set yourself up for spiritual success, during school and beyond!
