

After the sorcerers vicious invasion, the kingdoms fate becomes intertwined with that of its prince, Lionaeth. Lionaeth, cursed by a spell designed to annihilate his royal lineage if he fails to find his true love before sunrise on his twentieth birthday, seeks the Grand Pomegranates magical power, to break the spell. Fate unites him with a beautiful and mystical young lady. As their love blossoms, Lillietta faces the impediment of marrying another man, and the sorcerers scheme in destroying them. As Lionaeths birthday draws near, they must prove that the purity of their love is capable of breaking any curse.
