

The Oil Catching The Spirit Of The Leader: The Order Of Flow (Volume 3)

Apostle and myself put this book together with the hope that someone who desires to be in leadership will find within these pages the importance of being in tune with their leaders spirit. Dont allow the enemy to cause you to miss the next move of God for your ministry and next level of the anointing. The order of flow whatever God releases for the head body should also receive the same thing.
