

The Puppet Suit

Men have trouble following their own advice when it comes to the opposite sex. The Puppet Suit is a hilarious tale of how Geoffrey Lemon and his friends try to figure out how to get the girl and have a true relationship. Its not always a straight shot, as Geoffrey finds out. His interludes and encounters through New York, Boston and Vermont provide plenty of humor and heart. The Puppet Suit wil tug at your emotions, make you laugh and in the end give you some insight as to why men need women and women need men... To have someone to complain about!
