

There is a Story Behind My Praise

Pastor Sandy Wainright goes into the depths of her past, her heart and her mind to bring you a story that not many could tell. From a young child she shares the story of how sexual abuse knows no religious or social boundaries. There is a Story Behind My Praise is an intensely personal and specific look at this form of abuse and its many affects over the life of one Cassandra Wainright. She explores the secret lament of the soul damaged by sexual abuse and lays hold of the hope buried there by the One whose unstained image we all bear. But with a real chance at love and acceptance that only God can give. Her hope is restored along with her heart, her life and her ministry. Pastor Sandy offers women and men an opportunity to come clean and be set free. This book challenges every believer to a greater level of transparency in which real ministry comes alive and breaks the bondage set up by Satan. Enjoy this book as part of your daily encouragement, share it with a friend or just be inspired to be real before God and man. And see if there is a story behind your praise.
