

## Things Mysterious: A Dark Romantic Suspense

Dasan Garret is a disappointed man. Recently divorced and just returned from a traumatic tour of duty in Iraq, he moves back to his hometown of Portland, Oregon only to find himself unexpectedly alone. His old friends are all gone, moved away, locked up, or dead. Women seem to occupy a parallel universe. With no community and few prospects, he takes a job as a night watchman and withdraws ever deeper into the shadows of his mind. Until one day when he meets Edenia, and she lights up his world like a bolt of pure energy. She seems perfect: vibrant, gifted, kind, sexy, a sudden and unlooked-for reprieve from the sad ruin of his life. And yet there remains a nagging sense that something isn't right. Could it be that he is merely slow to trust the happiness she offers him? Or is there something behind that waver in her laugh, that fleeting look of sadness in her eyes? The mystery deepens when one day Edenia disappears. Dasan believes he must find her in order to go on living. But to find her again, he will have to confront a devastating truth about her life, and his.
