

Some things missing in my life. Everyone I meet is imperfect. I date and date, but I just can't commit. I'm so busy all the time. Who needs love, anyway? Sound familiar? For every such plea, Shmuley Boteach -- author of the international bestseller *Kosher Sex* -- has the answer. In *Why Can't I Fall in Love?* Boteach blends time-honored wisdom with practical tips and anecdotes from his private counseling practice. Boteach presents a radical program designed to help singles (and even those in long-term relationships) make their dreams of love a reality.
