

## NCV Becoming: The Complete New Testament (Biblezines)

Becoming is the complete New Testament using the New Century Version, but it wouldn't be a culture zine if it didn't address men, beauty, fitness and food! It's chock full of applicable ways to integrate faith into your daily life. Becoming gives advice on how to tackle some of life's biggest concerns while taking on some of those not-so-easy-to-understand concepts in the Bible. By addressing issues from sexual abuse, rape, and divorce to encouraging relationships, hospitality, and Bible knowledge, this Bible magazine is perfect for adult women who are eager to learn more about the faith thing.
