

## My Fathers Wondrous Love

In this perplexed fast moving, exciting and often dangerous world, the author has experienced implausible emotional, spiritual and physical occurrences over the past twenty-seven years. Yet during the first 60 years of life he lacked a personal relationship with God and Jesus. Although he thought he was being blessed because of material gains, his life was being overcome by the evil spirits of darkness. Due to his arrogant ignorance he unwittingly yielded his and his family's life to the various wiles of the devourer, Satan. Today he is thankful for the wondrous love of God and continually praises his lord Jesus for rescuing him. This is his testimony as living proof that life is one uninterrupted exalted, and expanded spiritual experience made up of many events. It is a true story articulating the spiritual experiences with divinely revealed truths that are so cleverly and majestically concealed within the word structure of God's written living love letter, the Bible. All things pertaining to life, man's fallacies, his irrelevant conclusions and most of all the true nature of God with His master plan for His creation. It defines Satan, Sin and our greatest enemy, Selfness. Without doubt it substantiates the evidence of its infallibility.
