

Gods Plan for the Family (Christian Family) (Volume 1)

Today, our families are under attack, and the attacks are becoming more and more prevalent in our culture. They affect our homes, our marriages, and our children. It doesn't matter whether you are a Christian or not. Recent statistics speak for themselves. It is our hope that this series and this book will help you face and overcome these things! If we understand the principles of God's Word and apply them in our homes, they will be strong and well protected. The Holy Spirit wants to speak to the hearts of parents to teach them how to raise their kids and lead them in the things of the Lord.
